

United States Energy Association

REQUEST FOR PROPOSAL – GAP ANALYSIS & RECOMMENDATIONS FOR ADVANCING THE HONDURAN ELECTRICITY INDUSTRY GENERAL LAW, AND ANALYSIS OF THE TECHNICAL NEEDS OF THE SECRETARY OF STATE FOR ENERGY

Funding Agency: USAID
Implementing Agency: United States Energy Association
RFP Closing Date: October 25th, 2021
Questions Due Date: October 18th, 2021

The United States Energy Association (USEA) is inviting prospective organizations or individuals through this request for proposal (RFP) to submit proposals to write a report on Honduras' General Law of the Electrical Industry with proposals on actions to eliminate the existing gaps in the General Law of the Electrical Industry and options for strengthening the legal area of the Secretary of State for Energy ([Secretaría de Estado en el Despacho de Energía](#)).

Proposals are due by 17:00 hours EDT of the closing date. Please forward your proposal in soft copy with a read receipt to Ms. Johanna Koolemans-Beynen, Senior Program Coordinator, USEA, at jkoolmans-beynen@usea.org.

As this is a USAID-funded program, the RFP follows USAID Procurement Regulations and Laws. All bidder details will be kept confidential.
